

## 2022 P&G US Annual Gift

P&G provides branded products and services of superior quality and value that improve the lives of the world's consumers, now and for generations to come. Since 1890, P&G has expressed appreciation and thanks to employees, retirees and their families for their support by way of the Annual Gift program and we are proud to continue this long-standing tradition in 2022.

### When may I expect to receive my gift?

Gifts will begin shipping in early November and every attempt will be made to deliver your gift before the holidays.

Your gift will be directed to the address on this mailing and delivery will not require a signature.
